

Diane Sawyer

December 1, 2015

To Whom It May Concern,

Ryan Matta worked for me and my family for well over 10 years. He proved himself highly intelligent, efficient, imaginative and creative. He was solely responsible for a large complex of homes, a film editing studio used by my husband, Mike Nichols, and a large staff and all of the people making films and using the facility.

Ryan is a man of talent and discipline who works hard and well and brings responsibility and a creative generosity to each task.

My husband thought highly of his talents in film and graphics as well!

I unreservedly recommend Ryan as a disciplined talent and superb worker, as well as a wonderful human being.

Sincerely,
